

GOING DUTCH

Season 2

Going Dutch follows an arrogant U.S. Army Colonel reassigned to a Netherlands base as punishment after an unfiltered rant. Once a decorated warzone leader, he now commands a base with no tactical purpose, boasting a Michelin-star commissary, a bowling alley, and the Army's only fromagerie. Surrounded by quirky underdogs, he struggles to restore discipline, aided by the base's former interim leader—his estranged daughter.
